Rise & Conquer

Double-walled vacuum insulation ensures the temperature of your drink is maintained upto 6 - 8 hours (HOT)/8-10 hours (COLD).

Its unique design makes it the perfect choice for your indoor as well as outdoor activities. Use it as an easy-to-carry tumbler in the office or to keep your beverage hot/cold during your travels.

Lightweight Stainless Steel material with a soft touch & stylish outer body makes it perfect to carry wherever you go. The leak-proof lid with a tight seal keeps the beverages spill secure plus operates with a simple touch open/close mechanism.

Now carry it in your bag without releasing the water droplets on the outer body, ensuring safe protection for other belongings. The safe-lock mechanism keeps the lid securely locked while carrying it around.

FEATURES

- Dual-walled vacuum insulation to ensure that the temperature of your drink is maintained upto 6-8 hours (HOT) / 8-10 hours (COLD).
- Convenient size to carry around. Fits right in your bags and car bottle holders.
- Spill-proof lid locks to ensure safety of your belongings.
- Stylish, lightweight stainless steel construction with a soft touch outer body.
- Sleek design makes it easy to carry in your totes or Backpacks and the tumbler.
- No condensation & leak proof design. You can carry it with ice cold drinks without worrying about any condensation on the outer body of the bottle.
- BPA free silicone seal design that makes its lid completely leak proof.

MULTI FUNCTIONAL ADAPTER

with USB Port and Touch Night Lamp

FEATURES

Smart Power Surge Protector: Direct Plug in Power Strip which comes with 2 Power Socket and child safety cover. Also featuring 20W 1 PD USB C and 2 USB Ports

Touch Lamp: Integrated touch LED lamp which can be easily used as night lamp with adjustable brightness.

Intelligent Chip: Intelligent circuit with built in voltage sensing detects and responds as per the device's power needs. It protects the device from high voltage supply than the required voltage, extending the life of the device.

Stable Power Supply: Reduces interference to keep the device running at full performance.

Fireproof Material: Integrated Copper and ABS Shell makes it heat resistant.

Surge Protection feature safeguards: Your expensive computers, smart phones, home appliances and other electronic devices are saved from voltage fluctuations and over-load protection.

Suitability: Power Sockets suitable for all electronic devices upto 2500W and USB Type C supports max. 20W
